TUSCARAWAS COUNTY FAMILY & CHILDREN FIRST COUNCIL
Helping Families In Need

Bridges to Wellness is an Access Tusc program that connects families to local resources to help them become stronger and healthier. A Care Coordinator can help families access all the services they need in one place and will come to their homes, listen to their needs, and work with them to create a plan to make sure their needs are met.

Bridges to Wellness can help families with the following:

- connecting to programs to stop smoking
- assisting with addiction recovery
- finding diapers and other baby supplies
- receiving counseling
- find insurance
- choose a doctor
- find a ride
- find housing
- obtaining assistance to afford food and medications
- answering pregnancy and parenting questions
- and more

For more information or to learn how to refer a client to Bridges to Wellness, contact us at (243) 801-8009 or e-mail coordinator@accesstusc.org.

Bridges to Wellness (a service of Access Tuscarawas, a non-profit organization) is a community care coordination approach focused on reducing risk factors for high-risk individuals and populations.
